

Burleson Lions support the following programs and services:

- Sight First Program** – Over 3,985 free eye screenings were performed in 2017. Eye exams and glasses were provided at no charge for those who could not afford them.
- White Cane Awareness Day** – observed twice annually in Burleson to educate the community and collect funds for sight preservation and assistance programs.
- Eye Glass Recycling** – Collect over 3,600 pairs of used eyeglasses for distribution to third world areas.
- Texas Lions Camp** – Send children with ANY disability or handicap to a special assisted camp for one week FREE of charge to the family. More than 79,000 children have benefited from services since 1950.
- Tuition Assistance Scholarship Program** – Award scholarships annually to community graduating high school seniors that complete the application process and are selected by the scholarship committee.
- Burleson Lions Club's Sight First Program:** Dedicated to fighting the major causes of preventable and reversible blindness.
- Leo Club** – An active community service civic club for high school students, operated under the supervision of the Burleson Lions Club for leadership development skills.
